AUXILIARY SALAD LUNCHEON ENJOYED BY MANY

Our fall salad luncheon held on September 24 was a huge success raising over \$3,000 for hospital equipment. We served 267 people and had many great comments on the variety and quality of the salads and desserts provided by auxiliary members. Special thanks to Joyce Kurth and Deanna McDonald who organized the event and to Lynda Cochran who was in charge of decorating.

WELCOME TO OUR NEWEST MEMBER

Martha Monroe joined our group in September and jumped right in by offering to make salads for our luncheon. Martha and her husband have lived in the Jefferson area for 37 years and raised their two daughters here. She was an elementary teacher, 4-H leader, and the administrative assistant/treasurer for the First Presbyterian Church. She is still quite active in her church, Friday Club and PEO. Her husband, Bill was the former owner of Medicap Pharmacy and still works some hours there.
